WHY this rooftop?

prime location

Located in the heart of vienna, hans-y rooftop offers excellent accessibility while providing a unique escape above the city's vibrant atmosphere.

01

stunning skyline views

The rooftop terrace offers breathtaking panoramic views over vienna, creating an unforgettable backdrop for every event.

02

exclusive atmosphere

A stylish and modern setting designed to create a sophisticated atmosphere for weddings, corporate events, and private celebrations.

03

versatile event space

The flexible layout allows the space to be adapted for a wide range of events, from elegant dinners to lively receptions and networking events.

04

indoor & outdoor

With both indoor and outdoor areas, hans-y rooftop provides the perfect setting for events in any season.

05

memorable moments

From sunset receptions to evening celebrations under the city lights, the location creates moments guests will remember long after the event.

what's INSIDE?

01

ILLUMINATED DANCEFLOOR

The illuminated dance floor creates a vibrant and immersive atmosphere, drawing guests in with its dynamic lighting effects. It adds a modern, energetic touch to the space and enhances the overall event experience.

02

MOVEABLE DJ BOOTH

The highly modern, movable DJ booth offers maximum flexibility and can be easily repositioned to suit different layouts. Its sleek, high-tech design seamlessly integrates into the space while supporting professional performance needs.

03

AUDIO-VISUAL PROJECTION SETUP

The audio-visual projection setup combines a high-quality projector with a refined screen system to deliver clear and impactful visuals. It enhances presentations and creates an engaging visual layer for any event.

what's INSIDE?

01

REFRIGERATED DRAWERS

The bar is equipped with integrated refrigerated drawers, ensuring that beverages and ingredients are kept perfectly chilled and easily accessible. This setup supports efficient service while maintaining a clean and modern appearance.

02

GLASS WASHER

A professional-grade glass washer in gastronorm format allows for quick and hygienic cleaning of glassware. It ensures a continuous supply of spotless glasses, even during high-demand service periods.

03

ICE CUBE MACHINE

The ice cube machine provides a steady supply of fresh ice, essential for preparing a wide range of drinks. Its reliable performance supports smooth bar operations and consistently high-quality service.

what's OUTSIDE?

01

OUTDOOR BAR

The modern outdoor bar combines sleek design with functionality, creating an inviting space for socializing in an open-air setting. Its contemporary look enhances the overall atmosphere and fits seamlessly into a variety of event styles.

02

RUNNING WATER

The integrated running water system ensures convenience and efficiency for all bar operations. It allows for easy cleaning, preparation, and service, supporting a smooth and professional workflow.

03

STORAGE SPACE

Ample storage space provides practical solutions for organizing equipment, supplies, and ingredients. It helps maintain a clean, clutter-free environment while keeping everything easily accessible.

what's OUTSIDE?

01

INTEGRATED SOUND SYSTEM

The integrated sound system delivers high-quality audio throughout the space, creating a consistent and immersive listening experience. It is seamlessly built in, ensuring both excellent performance and a clean aesthetic.

02

LOUNGE FURNITURE

Stylish lounge furniture provides a comfortable and inviting area for guests to relax and socialize. Its modern design enhances the overall ambiance while offering a cozy retreat from the main activity areas.

03

SUN UMBRELLAS

Sun umbrellas offer ample shade and protection from direct sunlight, ensuring comfort even on warmer days. They complement the outdoor setting while adding a practical and elegant touch.
